

## TRANSFORMATIONAL LEADER MASTER CLASS

### Creating Workplaces that Work for All to Compete Today & Tomorrow

Are you a leader in a small organization? Productivity, cost, time and/or quality are continually not meeting targets; customers are not satisfied and employees are not engaged? Do you lie awake at night thinking about the problems of the day? Dread going to work every morning to the chaos, politics and conflict that surround these problems?

Want to end the overwhelm and feel empowered? Want to be a better leader in 2022?

**JOIN THIS MASTER CLASS WITH OTHER LEADERS LIKE YOU TO LEARN TO CREATE A WORKPLACE WHERE PROFITS AND PEOPLE FLOURISH IN 2022!**

#### Program Benefits:

- Coaching from an experienced manufacturing leader;
- Support and accountability from peers;
- Confidence you have the right team in right seats working well together;
- Work more effectively and use time better;
